Zealand

Pray for the strength of Cadeting in these countries. While not large in numbers, they have been faithful for many years.

Cadeting in Other  
Foreign Countries

There are independent clubs in various countries. Please pray for them as they minister in isolated areas.

Support of  
International Cadets

Donors help fund the administrative costs and provide funds for specific projects. Purchasing Bibles or starting a chicken raising project are examples of how a small donation can have a large impact.

Counselor Education

Nearly 100 active DCEs are training counselors in their respective councils.

Pray that each boy in Cadets becomes more conformed to the image of Christ this season. Pray for each cadet you know by name.

**27**

It's not only counselors who sacrifice for cadeting. Pray for the wives, who sacrifice family time to let the ministry grow.

**28**  
Dynamic Youth  
Ministries

DYM is umbrella organization overseeing Cadets and ThereforeGo Ministries. Together we work in ministering to youth and young adults.

**30**  
Congressmen  
and Congress

Congressmen represent the CCC to their local clubs and their local clubs to the CCC through communication and promotion. Congress is the board of directors of the Corps, involving congressmen from all over North America. Pray for vision, wisdom, and unity in the decision making process at their annual meetings in January.

**31**  
Personal Growth

If we are to grow and succeed as a ministry, we need to ask God to help us do so. Pray for yourself and others within the Cadet ministry to have a closer walk with God and to hear His continued call.
